Food grade materials**

Food grade materials

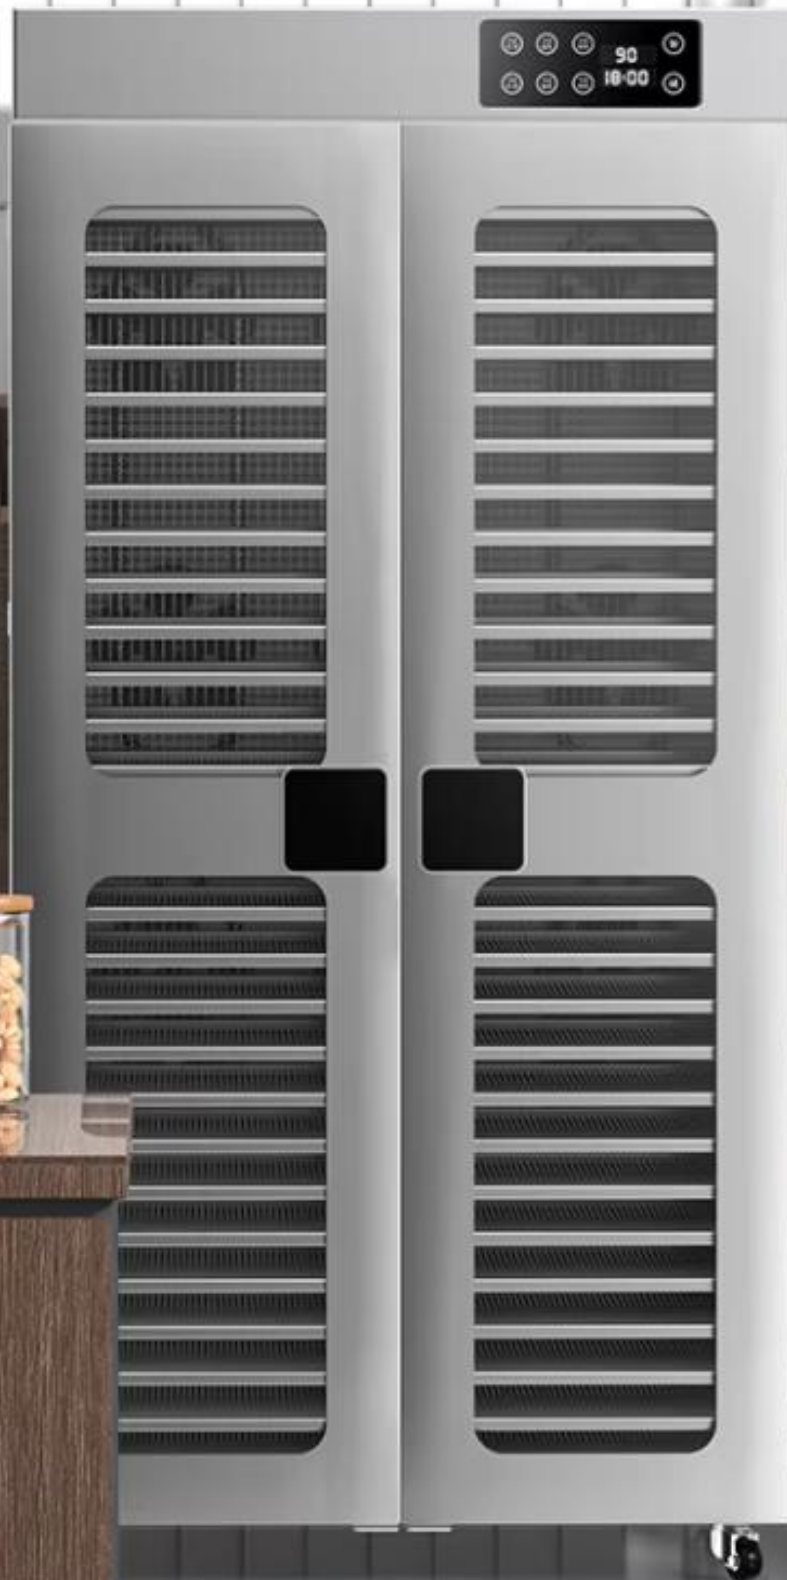

**LED panel
Easy operation**

LED panel

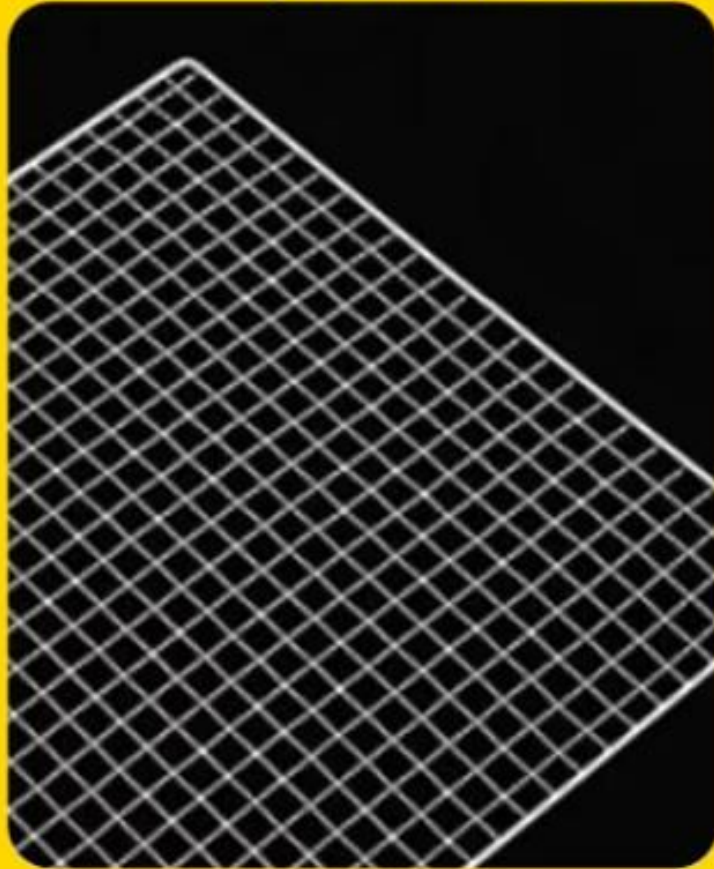

5200W low-power is more energy-efficient
than the old 6000W model

Low power operation
energy saving

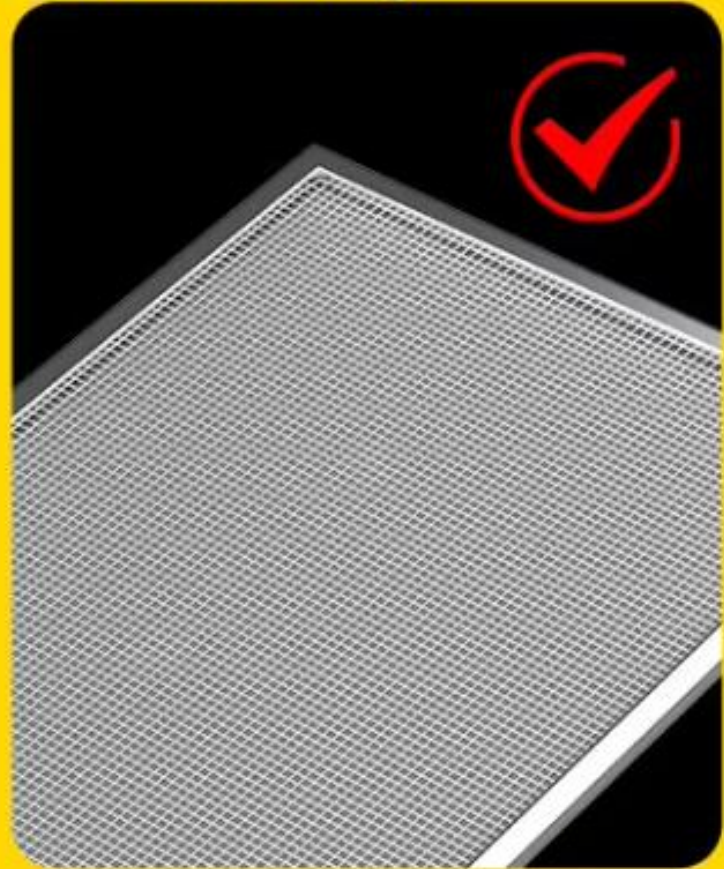

Upgrade online storage [Bold Border]

Upgraded thickened mesh disk with greater load-bearing capacity to prevent circular and other ingredients from rolling off

Before upgrading

The shelf is relatively thin and prone to deformation. Sparse shelves, unable to accommodate spherical ingredients.

After upgrading

Widening and thickening, not easy to completely deform. The grid is fine and can accommodate beans or dry the ball-shaped ingredients.

Product details

Anti scalding handle

More convenient opening
closing of doors
The use of
heat resistant materials is safer

Magnetic door buckle

Opening/closing the capacity
door and locking it with the body
Prevent the impact of drying and
popping on the effect
